Preparation in officiating is never-ending. And there are no shortcuts to becoming a competent official. To be a successful official, one must have a complete command of the rules and a fundamental understanding of the game. In addition to court time, these clinics provide the opportunity to learn from one another and develop a strong camaraderie with other officials. It is especially important that we continue to add newer officials and train them to have success.

**NOTE:** Attendance at a clinic will count in lieu of a Series 1 or Series 2 KSHSAA Area Supervisors Meeting for officials wishing to fulfill postseason requirements.

**DON'T MISS THIS EXCITING OPPORTUNITY TO PREPARE FOR A NEW VOLLEYBALL SEASON!**
